Mr. Dulles:

A copy of the attached letter from [REDACTED] has been made available to the FE Division which is preparing a reply for your signature. STATINTL

In connection with the cable attached which is on the same subject, you may recall that both Ambassador Dowling and [REDACTED] when they were here recently suggested that you might wish to see [REDACTED] when he came to Washington. The Division recommends that if you can give him a 20 minute to half hour appointment, it would be well worthwhile as he is a very solid fellow who they believe will be important in [REDACTED] or some time to come.
